hat is the first rule to remember in any emergency?
To find the "FIRST THINGS FIRST" answer, color all the
1's and 4's blue, and color all the 7's red.

Using the code numbers as found on the telephone, choose the right letters to make the correct answer word which will complete the following emergency phone call rules. (Example: 2=the letter A, B, or C.)

EMERGENCY CALLS:

2-2-5-5 911 or the local emergency number.

Report 9-4-6 and how many people are involved.

9-4-2-8 happened.

9-4-3-7-3 the emergency happened.

9-4-3-6 it happened.

Tell your 6-2-6-3
and the 8-3-5-3-7-4-6-6-3 number from
which you are calling.

Do NOT 4-2-6-4 up!
